

# Earth Art Cart Contest

The 2012 Whole Earth and Watershed Festival is pleased to announce a new opportunity for students in all grades to promote recycling and care of our planet! It is called the **Earth Art Cart Contest**. The City of Redding Solid Waste Division is donating blue recycling carts to any group who is participating in this art contest. These carts will be yours after the contest! The voting for awards will take place on **Saturday April 28<sup>th</sup> between 10am and 3pm** and will be based on "People's Choice" in several age ranges.
