# Food Vendor Information

Saturday April 22, 2017 11am to 5pm

Exhibitor Location: Redding City Hall and Sculpture Park  
777 Cypress Ave. Redding, California

If you would like your business to be considered as a Food Vendor at the 2017 Whole Earth and Watershed Festival please fill out this form and email it to [reddingwewf@gmail.com](mailto:reddingwewf@gmail.com) or FAX to 530-242-1182 or mail to: 2017 WEWF c/o First United Methodist Church 1825 East St. Redding, Ca. 96001

Food Vendor Application Deadline is April 8, 2017

**Cost: \$125 (non-refundable)**

**\$35.00 late fee for Applications received after April 8th No Applications will be accepted after April 15th**

## Food Vendor Information:

1. The City of Redding only allows the selling of items including food and drinks in the "Sculpture Park" so we will be locating your booth accordingly. Plan on a 12x12 space. If you need more please let us know.
2. **You will need:** a) to fill out a temporary Sales Tax Permit (free) with the State Board of Equalization (on Churn Creek) or have a Sales Tax Permit on file; b) a current food safety certification or temporary permit from Environmental Health displayed at your booth; c) If you are using a BBQ/propane cooking set-up be sure you are in compliance with any City Fire regulations; d) your own booth set-up including table(s); e) Copy of your valid Certificate of Insurance with your Application for our files.
3. We are striving to be a zero waste event so we hope that you will be as eco-conscious as possible in the ways you prepare and serve any food or drinks. Please **no Styrofoam** and consider using compostable plates, cups, and silverware available at Cash and Carry among other places.
4. The Planning Committee will work with you to ensure that the individual needs for your booth are met. Please be sure to indicate any special needs on your Application i.e. BBQ, electricity, etc. We will be working closely with the City Fire Chief and Environmental Health to ensure all of the City regulations are in compliance.
5. Event takes place rain or shine and we recommend having a canopy for your comfort. Per City Rules: the canopy cannot be staked so they must be secured (if needed) by anchoring it with a weighted object.
6. Please indicate if you have special needs for set-up access. Most other Exhibitors will begin arriving by 9am.

\*\* Note: All fees paid are used solely for the WEWF and are in no way connected to FUMC

It is important to let us know ASAP if you have to change your plans to be at the Festival.

We will have final flyers available for putting up in your business the first of April. You can get them on website at [www.wholeearthandwatershedfestival.org](http://www.wholeearthandwatershedfestival.org) or **request hard copies by contacting Peggy at 243-2403**. We would appreciate your efforts to advertise and support this event through any contacts, members, or constituents you may

have! Help spread the word about this event by finding us on Facebook  Be sure to "like us"!

We will be highlighting our food vendors on our website and facebook leading up to the Festival so please send us your logo and any other info you'd like us to share. You can send them to [reddingwewf@gmail.com](mailto:reddingwewf@gmail.com). If you have questions please call Peggy at 243-2403.

Food Vendors are responsible for bringing all the tables and equipment (extension cords) you will need and to clean up your area after the event. We will contact you about your space so any questions and concerns can be met prior to the Festival day (i.e. # of electrical plugs, distance from site etc.)

I have read and accept the Terms and Conditions in the Food Vendor Application: \_\_\_\_\_
